ClickSafe® Keyed Ultra Laptop Lock

K64964EU

Product Description

The Kensington ClickSafe® Keyed Ultra Laptop Lock offers the ultimate in physical security with just one click. ClickSafe combines an ultra-thick cable made from superior materials with a tamper-proof disc-style lock to deliver the strongest security available in a cable lock. Simply secure the convenient 1500mm cable through a dedicated security achnor point or any natural anchor point such as a cable management hole and your equipment is protected from theft.

Features

- Designed to be the easiest to use lock available
- Tamper-proof disk-style lock combined with superior materials provide near-impenetrable protection
- Super-strong steel cable provides the strongest physical security on the market
- ClickSafe Security Anchor is designed for a secure fit
- Attaches to laptop via the Kensington Security Slot found in 99% of computers
- Trusted as the first line of defence to keep computers, valuable data and contacts safe
- Online Register and Retrieve® service allows for retrieval of lost keys
